Add Bookx to your home screen

Open Bookx with one tap, just like an app. No app store, no download. It takes about 30 seconds.

One tap on site
Create and send a variation straight from your home screen.

Full screen
Opens without the browser bars, so there's more room to work.

Always up to date
No updates to install. You always get the latest version.

iPHONE & iPAD Using Safari

1. **Open Bookx in Safari**
   Go to **bookx.com.au** and log in.

2. **Tap the Share button**
   The square with an arrow at the bottom of the screen (top on iPad).

3. **Tap "Add to Home Screen"**
   Scroll down the list if you can't see it straight away.

4. **Tap "Add"**
   Keep the name as **Bookx**. The icon now appears on your home screen.

Using Chrome on iPhone? Tap the Share icon in the address bar, then **Add to Home Screen**. If you don't see that option, open Bookx in Safari instead.

ANDROID Using Chrome

1 Open Bookx in Chrome
Go to **bookx.com.au** and log in.

2 Tap the menu
The three dots ⋮ in the top-right corner.

3 Tap "Add to home screen"
On some phones this says **"Install app"**. Either works.

4 Tap "Add" or "Install"
The Bookx icon now appears on your home screen.

Using Samsung Internet? Tap the menu ≡ at the bottom, then **Add page to** → **Home screen**.

Good to know

Can't find the icon?
Swipe to your last home screen page. On iPhone, also check the App Library.

Stay logged in
Log in once from the icon and Bookx remembers you on that phone.

Your clients don't need this
Clients sign from the link in their email. No setup, no account, nothing to install.

Removing it
Press and hold the icon, then choose Remove. Your account and variations aren't affected.
